Our Infrastructure

Our College has a spacious Central Library with 20,000 volumes of Technical books, books in Science & Humanities as well as National and International journals, leading newspapers and magazines. Fully computerized library with internet and more than 360 international E-Journal (IEEE) facility enable the staff and students to enrich their knowledge. The detailed curriculum based NPTEL video course materials, developed by NPTEL (National Programme on Technology Enhanced Learning), can be accessed from our internet web server. MACET is a member of DELNET institution and Inter Library Loan is available for our students.

Hostel and Canteen

The students are advised to be the inmates of hostels for enhancing team work. Separate hostels are available for men and women on campus. The full-fledged canteen provides healthy and delicious food.

Store and Medical Facility

The college store provides all stationery items, books and essential commodities for the students within the campus. The college has its own dispensary where medical facilities exist for both students and staff.

SPORTS ACTIVITIES

MACET has a Physical Education department which promotes Sports and Games. The college has very good play ground and facilities for sports and games like Cricket, Volley ball, Football, Shuttle and Ball badminton, Chess, Carrom, Fencing etc. Many students represent the University in various sports and games. A few students of the college have excelled and become National level sportsmen.

TRANSPORT FACILITY

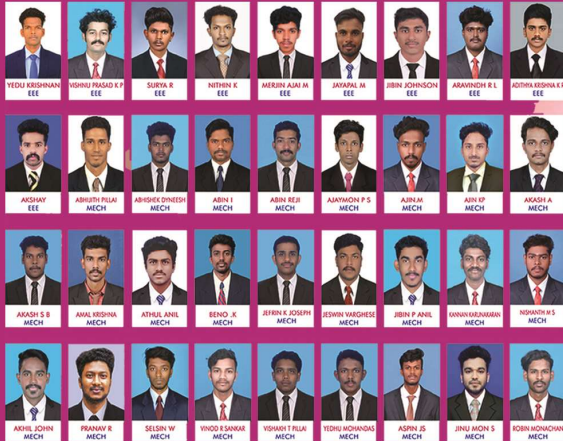

Daily trips of college buses are available from specific boarding points, covering all the nearby places in Kanyakumari District and Kerala. Our experienced drivers swear by the principles of safety, comfort and punctuality.
