Our Infrastructure

Library

Our college has a spacious central library with 20,000 volumes of Technical books, books in Science & Humanities, National and International journals, leading newspapers and magazines. Fully computerized library with internet and more than 360 International E-Journal (IEEE) facility enable the staff and students to enrich their knowledge. The detailed curriculum based NPTEL video course materials developed by National Programme on Technology Enhanced Learning (NPTEL) can be accessed from our intranet web server.

A substantial amount per annum is set apart for procuring new books and journals. The library reading room is open from 8 am to 10 pm.

Our Mission

To provide education, research and service in scholarly environment in a way that:

- Prepares the students for a successful professional career.
- Addresses the needs of industry constituents.
- Respond to the technological changes facing the country.

Our Vision

- To aspire to make MACET one of the nation's greatest engineering colleges recognized nationally for excellence in teaching, research and public service.
- To seek to be the preferred choice of students and practitioners seeking an engineering education, employers hiring engineering graduates and organizations seeking advanced engineering knowledge.

The College

Marthandam College of Engineering and Technology (MACET) is the fruit of dedicated efforts of Marthandam Educational And Charitable Trust (MECT) members. This institution takes bright young people and shapes them into technically competent and socially committed technocrats and administrators by imparting quality education. MACET is approved by AICTE, affiliated to Anna University and is an ISO 9001:2008 certified institution.

UG Courses

B.E. Civil Engg.
 B.E. Computer Science and Engg
 B.E. Electronics and Communication Engg
 B.E. Electrical and Electronics Engg.
 B.E. Mechanical Engg.
 B.Tech. Information Technology

PG Courses

M.E. Computer Science and Engineering
 M.E. Power Electronics and Drives
 M.E. VLSI Design
