

## **ANTI-RAGGING COMMITTEE**

Ragging is a criminal offence. Ragging is strictly prohibited by both the State and Central Governments. Ragging comprises noisy, disorderly conduct or doing an act which causes or is likely to cause physical or physiological harm or raise apprehension, fear, shame or embarrassment to a student in an Educational Institution.

### **Punishments for those found guilty of ragging at the Institutional level:**

- Imprisonment up to three years
- Dismissal from the Institution

Hence students, particularly the seniors, are requested to refrain from any criminal act. Juniors are requested to report any ragging activity to the officials immediately, without any fear.

### **Objectives of Anti Ragging Committee**

- To be vigilant at all hours all around the campus
- To make surprise raids on hostels, and other places vulnerable to incidents of ragging
- To conduct an enquiry into any incident of ragging referred to it by a faculty or student or parent or guardian and the enquiry report along with recommendations shall be submitted to the Head of the Institution for action.
- To ensure the display of posters on the Notice Boards
- To offer services of counselling and create awareness to the students

### **Mechanism for Submission of Complaints:**

Any student, with genuine grievances related to issues on ragging, may approach the Anti-ragging Committee members in person or through mobile/Email. On receiving the complaint, the committee begins its investigations in full swing.
